

IN THE SENATE OF THE UNITED STATES.

DECEMBER 17, 1890.—Ordered to be printed.

Mr. MANDERSON, from the Committee on Printing, submitted the following

REPORT:

[To accompany letter from the Treasurer of the United States transmitting accounts rendered to and settled with the First Comptroller for the fiscal year which ended June 30, 1890.]

The Committee on Printing, to whom was referred the above letter, having considered the same, report it back with the recommendation that the manuscript of the accounts submitted be not printed but filed in the office of the Secretary of the Senate for reference. This has been the practice heretofore, and the committee see no good reason for a departure from the practice. It may be added that the same document, of which the manuscript sent to the Committee on Printing is a duplicate, has been printed as House Ex. Doc. No. 90, second session Fifty-first Congress.
